ANNUAL MEMBER VALUES & PRINCIPLES COMMITMENT

2023 Implementation

As the InterAction Community, we believe in ensuring dignity for all people. We do this by helping to eliminate extreme poverty, strengthen human rights and citizen participation, safeguard a sustainable planet, and promote peace. We stand with our colleagues and community to uphold these values within our organizations and will attest to our commitment each year.

1. **Justice and Equality.** We will boldly counter injustice, exclusion, inequality, poverty, and violence as supported by our missions to create healthy, just, and equitable societies for all. This includes accountability and protection from sexual abuse, exploitation, and harassment.

2. **Inclusion.** We will proudly support people affected by inequality, including people with disability, being anti-racist, and promoting human rights, gender equity, and diversity.

3. **Healthy Planet.** We will protect the environment and actively work towards solutions that address the problems of climate change.

4. **Lasting Positive Change.** We will deliver measurable, culturally competent long-term positive results.
